We Can Play Together

I love to play with you,
Run and jump all day.
Everything we do is fun when I'm with you,
We can play together; it's what we love to do.

(Chorus)
Play, play, play, all day long,
In our magical world, where we belong.
Friends forever; laughter and glee,
We can play together; you and me.

We can play together; hand in hand,
Tag, hide-and-seek across the land.
Slide down, swing up, oooh so high,
Under the sun and the endless sky.

(Chorus)
Play, play, play, all day long,
In our magical world, where we belong.
Friends forever; laughter and glee,
We can play together; you and me.

(Chorus)
Clap your hands and stamp your feet,
Let us move our bodies to the beat!
Point to your eyes, blink, blink, blink,
Tap your nose and give a wink.
Touch your ears, listen to the sound,
Turn in a circle, round and round.

(Chorus)
Clap your hands and stamp your feet,
Let us move our bodies to the beat!
Wiggle your hips, shake, shake, shake,
Touch your tummy, bake, bake, bake.
Stretch your arms up to the sky,
Now, let us all jump really high!

Clap your hands and stamp your feet,

Let Us Move Our Body

Let us move our body, everyone,
We will jump and dance and have some fun.
Touch your head and touch your toes,
Wave your arms and wiggle your nose.

(Chorus)
Jump, jump, jump up high,
Reach your hands up to the sky.
Twist, twist, twist around,
Stamp your feet upon the ground.
Clap your hands and bend your knees,
Shake your hips with so much ease.
Touch your shoulders, then your knees,
Spin around like a gentle breeze.

(Chorus)
Jump, jump, jump up high,
Reach your hands up to the sky.
Twist, twist, twist around,
Stamp your feet upon the ground.
Wiggle your fingers, wiggle your toes,
Tap your nose and touch your elbows.
Stretch your arms out really wide,
Now, let us sway from side to side.

(Chorus)
Jump, jump, jump up high,
Reach your hands up to the sky.
Twist, twist, twist around,
Stamp your feet upon the ground.
Let us move our bodies every day,
With lots of fun, we learn and play!
