1. In classroom community, sing with your teacher or repeat the lyrics as a poem.

En comunidad de aula, canten con su maestro o repitan la letra de la canción como un poema.

How Are You Today?

How are you today, my friend?
With emotions, let us pretend.
Are you happy like the sun?
Or feeling cozy like a hug?

(Chorus)
How are you today, let us say,
Feelings come and go, that is okay.
Happy, sad, or in between,
Let us talk about how we are feeling.

Are you excited, bouncing high?
Or maybe feeling a bit shy?
Do you feel like dancing in the rain,
Or calming down, like a peaceful lane?

(Chorus)
How are you today, let us say,
Feelings come and go, that is okay.
Happy, sad, or in between,
Let us talk about how we are feeling.

Sometimes we are laughing,
sometimes we are blue,
Feelings change, it is what they do.
But whatever you're feeling, it is alright,
Let us talk about it, day or night.

(Chorus)
How are you today, let us say,
Feelings come and go, that is okay.
Happy, sad, or in between,
Let us talk about how we are feeling.

How are you today, my dear?
With emotions, let us be clear.
Talking helps us feel okay,
So, tell me, how are you today?
